

Lehigh Area School District
Lehigh, Pennsylvania
Athletic Committee Meeting

Wednesday, May 9th 5:45pm

Present :

Suzanne Howland

Kyle Spotts

Also Present: Gail Maholick

Recording Secretary: Nancy Koch

Public Comment: None

Old Business: This is the last week of the regular season for Spring Sports. The outcome of this week will dictate if we qualify for Districts in regard to Baseball and Softball. Track Districts are next week.

Mr. Spotts was not able to check with other districts regarding security at sporting events due to rescheduling games.

18-19 Event Worker Pay Scale: Handouts with the pay scale were distributed and will be sent to other committee members not in attendance. There was no change in the pay scale from 17-18. There was difficulty getting track workers for this year. Gail asked how many workers were required. Mr. Spotts stated approximately 14 per meet @ \$35.00 per event. This pay scale will go to the May School Board meeting for final approval.

Fall Ticket Sales: Since there isn't another Athletic Committee meeting until August and our first home football game is August 24th, a handout was distributed with the prices of the 2018-19 season passes and regular admission ticket prices. This will also go to the May School Board meeting for final approval.

Athletic Code of Conduct : No changes from current Athletic Code of Conduct. It is available on our Athletic website. This will go to our May School Board meeting for final approval.

Stadium Access: No further update at this time on the stadium access gate. It is currently under construction.

Coaching Positions: Golf Coach, Mr. Miller, resigned due to family obligations. Assistant Coaching positions on the upcoming school board agenda.

Athletics/Building Grounds: The materials for the batting cage next to Baseball fields are already in the Middle School gym.
Carbon Engineering is currently doing a feasibility study on 3 different locations in regard to the tennis courts.

Schuylkill League Update: League Track and Field Championships will be held at Blue Mountain.

District XI Update: Track and Field Districts @ Whitehall May 15th & 16th.
Other sports will follow if we qualify.
There will be an increase in ticket prices. This is controlled by PIAA, not our school district.

New Business: None

Motion to Adjourn made by Suzanne Howland second by Kyle Spotts. Meeting ended at 5:57.

Next meeting to be scheduled: Wednesday, August 8th @ 5:45pm
