New Business:

Athletic Code of Conducts: These forms were approved last year and there doesn't seem to be any need to make any changes, therefore they will remain as is.

Worker Pay Scale: This pay scale will remain the same as 2018-2019 and will go for board approval once we get the approval by the business office.

Fall Ticket Information Football ticket sales:

Season Tickets: Volleyball prices changed from 2018-19 due to the number of games. All other Fall Season Ticket prices will remain the same as last year.

It was suggested by a dedicated season ticket holder that we sell to former card holders early to give them the advantage of getting their same seats. Therefore, taking that suggestion into consideration, we are looking at two days in August for early sales to pass holders only, followed by normal sales.

Lehigh Valley did our sport physicals for free. We no longer hold a contract for physicals with OAA.

End of the Awards program: MVP went to Emily Miller and Chris Whiteman

Meeting ended @ 9:29 AM
