Meeting started: @9:16 a.m

Public Comment: None

Old Business:

Tennis Court Update: On hold due to budget deficits but have been in contact with two individuals who have interest in purchasing former Maple Tree Tennis club and they would welcome the district to play there again. Not sure on what the rental cost of that agreement would be at this point.

Tickets sales process: Aug. 14th will begin advance ticket sales for former Football season and/or All Sport pass holders. Next week will begin the sales for all others.

Fall Sports: Football started August 5th and all other sports started August 12th. Mr. Spotts made it out and touched base with almost everyone. The numbers across the board look good. The usual last minute physicals or physicals without signatures was an issue.

Coaching Positions – Staff updates: All Fall & Winter positions are filled
Interviews for a Head Baseball coach are being held today, following Athletic meeting. Assistant positions will then be posted and the intent is to send all positions to the August board meeting for approval.

Athletics/Building Grounds – Mound Building Clinic, hosted by Steve Horn was an awesome opportunity. It was well run and well attended.

Schuykill League Update – Recent meeting last week at Mountain Valley discussed the possibility of raising the ticket prices for league playoffs or league dues, which would go into effect next school year.

District XI Update – No updates

PIAA Update – No Updates

New Business:

Meet the Tribe is Tuesday, August 20th @ 7 pm

Mr. Wentz commented all the fields look good.

Mr. Holland extended a “thank you” for giving the advance tickets sales a try

Tri-Scrimmage is at home on August 17th at 10 am

Other Business:

Mr. Holland spoke to Mr. Cleaver in regard to all board members receiving a pass for all events (home), not limited to sporting, to include a guest. Mr. Spotts will look into an ID pass.
