Public Comment: None

Old Business: Bleacher Inspection was discussed at the Building & Grounds meeting held today. It was confirmed that in order to maintain the warranty of the bleachers, as per the insurance company, having a professional group perform the annual bleacher inspection would provide Proof of Insurance and a Certificate of Validity. Mr. Spotts will continue to pursue this as information continues to come in.

Coaching Positions: The District will have the committee review future candidates and recommend for hire. The District is still in a waiting period. Governor Wolfe may provide the guidelines on when activities can begin today or tomorrow.

Athletics/Building Grounds: covered in regard to Bleacher inspection above

Schuylkill League Update: Mr. Spotts received an e-mail the League is waiting for return guidelines, at which time an officers meeting will be set to discuss the guidelines.

District XI Update: None

PIAA Update: We are currently in a holding pattern despite going into the “green” on Friday. As it stands now July 1st is the start date for PIAA activities. The guidelines may need to go to the School Board for approval.

New Business:

Golf Course: A rental agreement has not been received from Blue Shamrock even though they have been contacted several times. Blue Shamrock has been used since Mahoning Valley Country Club has closed, however 3 schools used Blue Shamrock last year and there were conflicts with practice schedules and access to certain areas of the course. Our Golf coach has contacted Old Homestead, the cost is similar to Blue Shamrock, therefore an agreement is being negotiated with them.

Athletic Training Contract:

Brian Leader, David Maxted, Lisa Liddington, Amy Mayneberg & Terry Peurcell presented a 10 year proposal on behalf of Lehigh Valley Network

John Hauth, Greg Leh, Jody McCloud Missner, Rosemarie Lister & Mike Cerimeli presented a 10 year proposal on behalf of St. Luke’s

Public Comment: David Bradley asked if the meeting was being recorded. Mr. Cleaver responded he didn’t think so.

Rita Spinelli thanked both groups for presenting.

Meeting adjourned at 11:13 with a motion from Mr. Spotts, second from Steve Holland
