One of my absolute favorite things about being an IM is seeing students get the opportunity to be creative alongside rigorous instruction. Thank you to Ms. Allen at Carver MS, and many other teachers, who inspire this kind of creativity in their students! Check out these "Instagram accounts" that feature historical figures! Y'all are my heroes! -Josh

Hello! City Year Tulsa here and our AmeriCorps Members are excited to show you what it looks like to serve with City Year in Tulsa Public Schools!

Join us in the video below for First Circle at Monroe Demonstration Academy. Each of our teams of AmeriCorps members start the day in a strong circle where they get information needed for a powerful day of service.

If you or someone you know is 18-25 years old and interested in serving students, building your career, and making Tulsa better, apply with the link by May 5th to serve in the 2023-2024 school year! <https://rb.gy/o7vbg>
