Exploratory Classes Form

Last Name: _____ First Name: _____ Date of Birth: _____

At SMS next year, seventh-grade students will have three blocks of 90-minute core classes a day and two 45-minute exploratory classes a day.

Core Classes (3 classes/day): English Language Arts/Social Studies (ELA/SS), Mathematics, Health Enhancement (HE), and Science (HE and Science alternate days).

Exploratory Classes (2 classes/day): Students will be exposed to a variety of classes during two periods a day. If choosing a performance music class, please select from the options below and your student will be guaranteed a placement in that class for the duration of the year. Students then will be placed in one other period of exploratory classes.

Performance Music: Students **may** select up to two performance music classes which lasts the entire year. Place a check mark beside your choice.

_____ Band _____ Orchestra _____ Choir

Which **instrument** do you play (if band or orchestra selected)? _____

Non-music: If **no** year-long performance music class is selected, students will have **two** periods of the following classes. Each of these classes is nine weeks long. Please rank in each individual category/column, #1 being your first choice, #2 as your second choice, and so on. Students will have **four** of these eleven classes if in performance music; or **eight** of these eleven classes, if not in performance music.
