Other Business:

Dress Code

Mrs. Mattingly shared that all policies will be brought to Council for review/update in July. However, she recommended Council make any needed revisions to Dress Code policy at June meeting, to allow for adequate communication with families as they plan for the new school year. Mrs. Mattingly did not wish to present a policy to Council for approval at this meeting, but rather share possible discussion points. She also shared that she will provide teachers and staff the opportunity to provide voice. At the June meeting, multiple drafts of policy will be presented to Council for decision making.

Considerations that have been brought to Mrs. Mattingly/Council for consideration:

- Leggings (4th-8th)---consider removing wording completely
- Nose Rings---consider removing wording completely
- Remove access to Clothes Closet for 6th-8th (require parent to supply if in violation)

Technology Fee, Grades 4th-8th

Mrs. Mattingly communicated with Council that beginning in the 2022-2023 school year, all students in grades 4th-8th will be assigned a chromebook for 1:1 access (no rental needed). In doing so, it is the desire to purchase protectives “sleeves” for the devices to protect from wear-and-tear from traveling home to school daily. In planning for the protective sleeves as well as the supplies/equipment that will be needed, Mrs. Mattingly presented the proposal of adding a \$15 Technology Fee for students in grades 4-8.

Motion was made by M. Yonts and seconded by P Nicholas to approve. No opposition noted. (Note: Fees must also be approved by BOE. Mrs. Mattingly will submit for their approval.)

Carryover Request for Section 6:

Mrs. Mattingly asked for Council support in requesting BOE to approve carryover of remaining Section 6 balance of \$16,000 to use toward school instructional needs in 22-23. Motion was made by R Whitaker and seconded by D Kirkpatrick. No opposition noted.
