

Higher Education Emergency Relief Fund III (HEERF III)
Student Aid Portion
December 30, 2021

The Higher Education Emergency Relief Fund III (HEERF III) was authorized by the American Rescue Plan (ARP) signed into law March 11, 2021. Tri-County Career Center-Adult Center signed and returned a Certificate & Agreement with the Department of Education to accept allocated funds from the ARP and provide emergency grants, prioritizing students with need based on an application process. Tri-County Career Center-Adult Center is located in southeastern Ohio with limited resources for students.

Tri-County Career Center-Adult Center received \$62,748 of HEERF III funds for student aid. Funds from the HEERF CRRSAA Emergency Relief Fund are not considered financial aid and do not affect a student's current or future financial aid eligibility.

Thirty-one (31) students received an equal share of the HEERF III Fund.

To date, Tri-County Career Center-Adult Center has disbursed the entire amount to students for assistance with issues related to the pandemic.
