EMES Mission Statement

"The purpose of our school is to teach all children to become competent, caring citizens and life-long learners through a challenging and relevant curriculum."

Dear EMES Families -

Welcome to April! Although the temps have fluctuated quite a bit recently, students have been able to take their learning (and eating!) outdoors more as of late. There are so many wonderful signs of spring around EMES and I'm excited to announce that a small group of students have taken on planting some vegetables and flowers for an up-and-coming garden project. I also heard word that Green Up Day will be happening at EMES again this year and bags will be available for pick up and to send home soon.

Please remember that tomorrow is student-led-conference day and there will be no school for students. I am sure you are eager to hear about classroom configurations for next year; tomorrow we will be putting the final touches on these. Very soon, I will reach out to families to let you know what configurations and teacher placement will be for next year. Thank you for being patient! As always, you will have the opportunity to give input on your child's learning and what type of an environment you think will be the right fit for them. We will use this information, along with what we know about your children, to begin the placement process later in April.

I am so excited to announce that the majority of our staff have received at least one dose of the Covid vaccine and many have already received both doses. Over the course of the next week or two, we are hoping to wrap up the vaccine process, which is the next step in ensuring the safety of everyone. It has been a rather smooth process and teachers and paras have been so wonderful about stepping in and supporting their peers when they need to be out. I am also hopeful to receive updated guidance on what the end of the school year can and will look like, including graduation plans for our graduating sixth graders. We have so successfully made it to April and I feel like there truly is a light at the end of this very long tunnel!

Enjoy the long Easter weekend with your children and we look forward to seeing everyone back on Monday!

Best,
Alicia

Upcoming Dates To Note:

April 2nd: Student Led Conferences (via Zoom!) - No school for students

April 7th: 12:30 dismissal

April 19—23: April break

May 19th: 12:30 dismissal

Central Vermont Raiders Youth Lacrosse

We're back! Registration is now open for the 2021 spring lacrosse season.
You can register at

<https://www.eastmontpelierrecreation.org/lacrosse/registration>

Schedule

All practices will be held at the East Montpelier Recreation fields next to the East Montpelier Elementary School. The preliminary schedule is as follows, but may be subject to change depending on the availability of students and their families:

3rd-6th boys: Tuesday & Thursday, 5:30-7:00

3rd-6th girls: Wednesday & Friday, 5:30-7:00

K-2: Saturday mornings, time TBD

All practices will be held outdoors, so the first practice will occur when the fields are ready to be used.

Equipment

Girls only require a stick, goggles, and cleats, while boys are required to have a stick, helmet, chest protector, elbow pads, gloves, protective cup, and cleats. **Equipment rentals are available on a first come, first serve basis and have a fee of \$15.**

Registration & Contact Information

Registration can be completed at <https://www.eastmontpelierrecreation.org/lacrosse/registration> and answers to any questions can be obtained by contacting the Program Director, Bob Fitch, at bobfitch.vt@gmail.com or 802-279-1560.

Coaches and volunteers are always needed, so please notify Bob of any interest in helping! To learn more about the sport of lacrosse, go to www.uslacrosse.org/about-the-sport or contact Bob.

Watching Lacrosse

The college lacrosse season is underway, so if you're interested in watching men's and women's college lacrosse you can find webstream links here for women's games:
