2018-2019 EMES Family Newsletter

Dear EMES Families -

I cannot believe that we are heading into December already—where has the month of November gone?! I apologize for not getting a newsletter out to you last week. I try to send one out every other week, but only if I have enough new news to share, and things were a bit quiet last week after the Thanksgiving break! Please do spend some time reading over this newsletter though—there’s quite a bit of news in here!

We were visited today by a team of five English teachers from U-32...this is something that in all my time at EMES has never happened before! They are interested in seeing how we do readers and writers workshop at the elementary level, as they begin thinking about how this may fit in a middle and high school setting. It was so exciting to share the great work we’ve been engaged in for the past six years with some of our SU colleagues!

On Thursday, the Student Leadership Team trained EMES students on our new classroom composting procedures. Each spring we do an audit of our cafeteria and classroom waste. We have become masters at composting food scraps in the cafeteria, but need to make some changes to the way we compost our food scraps in the classrooms. The SLT team did a great job explaining the composting process, reviewing what can and should be composted and recycled in the classroom, and how to go about doing it (pics on page 3).

We have nailed down a date for our annual Gifts for Giving event—please mark your calendars for Tuesday, December 18th! This is a day for students to create beautiful gifts for loved ones. Community and school volunteers support students in the making and wrapping of their gifts and it is truly a beautiful, exciting event for everyone!

Have a great weekend!

Alicia

Victoria Pearson, parent of Forrest Carter-Pearson, a third grader in Mrs. Parker's 2/3 class, is interested in bringing together parents to support the good work of building together our skills as a multicultural learning community. We all belong here, and need to see ourselves reflected in our learning community. Are you interested in being part of this work? Please contact Victoria at vrapearson@gmail.com or call 802 249 2443. Hoping to have our first meeting in the new year.

Last Monday the entire school celebrated all our hard work around PBIS this year. Students earn chips in their classroom and common areas of the school for exhibiting expected behavior. After filling the classroom bucket and earning a classroom celebration, students put a big chip on the school tree. Once this is full it is time for an all school celebration. Students chose from multiple activities including art and craft projects, games and physical activities including sledding. Each student could sign up to the activity that they were most interested in participating in. At the end of the day all students spread out among 14 different activities for 35 minutes. Thanks to all our staff and students for all their hard work following our school expectations of being safe, responsible and respectful!

Hour of Code

(hosted by U32 Robo Raiders)

Dec 6th from 3:45 - 5:00 pm

Location: EMES Library

Hour of Code at EMES: While there will be opportunities for EMES students to participate in Hour of Code activities during the school day, the Dec 6th afterschool event gives students time to dig deeper into coding. This year's theme is being creative with code.

What is the Hour of Code? *The Hour of Code started as a one-hour introduction to computer science, designed to demystify "code", to show that anybody can learn the basics, and to broaden participation in the field of computer science. It has since become a worldwide effort to celebrate computer science, starting with 1-hour coding activities but expanding to all sorts of community efforts. This grassroots campaign is supported by over 400 partners and 200,000 educators worldwide.*

When is the Hour of Code? *The Hour of Code takes place each year during Computer Science Education Week. The 2018 Computer Science Education Week will be December 3-9, but you can host an Hour of Code all year-round. Computer Science Education Week is held annually in recognition of the birthday of computing pioneer Admiral Grace Murray Hopper (December 9, 1906).*

Who can attend? Code.org has activities for pre-readers and up. In addition to this year's new Dance Party and Minecraft activities (for grades 2 and beyond), we will have coding projects ready to go that are appropriate for all EMES students.

2019 Sugarbush Sunday Youth Recreational Program

On five dates, Sugarbush Resort is offering skiing and/or snowboarding for member schools and recreation departments. The goal of this Program is to encourage and/or introduce children to the sport of skiing and/or snowboarding at a reasonable rate. All Sunday youth programs will take place at Mount Ellen.

Program Dates

This program will run Sunday January 6, 13, 27, February 3 and 10. Cancellation make-up date will be March 10 (only if cancelled by Sugarbush).

Eligible Participants

Children and youth from 6 to 18 and their immediate family members, guardians or chaperones are eligible for all components of the program. Children under 7 (lift ticket is free) may purchase the rental-only package through the program and ski with a parent or chaperone.

5 Day Program Rates:

Product	1/2 Day Rate per person
Lift Ticket	135
Lift Ticket & Rentals	185
Lift Ticket & Clinic	225
Lift Ticket, Rentals, & Clinic	250
Clinic only	120
Rental only	105
SugarXpress Media Fee*	5

***SugarXpress Media Fee**

All day tickets and season passes will be loaded onto a SugarXpress Card. The cards are

retained by the guest and additional days are loaded onto it. The cards are linked to individual customers and are not transferable. There is a \$5 fee to purchase the SugarXpress card and the individual is responsible for it. If the card is forgotten or lost there is an additional \$5 replacement fee. Please understand guests cannot ride the lift without this card and will be charged \$5 for every reprint. Guests who have their 17/18 SugarXpress cards do not need to purchase a new one.

Liability, Medical Release and Rental Forms

Every participant in the program must sign a liability release. A Medical Release form, signed by a parent or legal guardian, must be submitted for all clinic participants. All Rental Forms must be signed by a parent or legal guardian. Participants will not be allowed access without receipt of legible signed forms.

Clinics & Rentals

All afternoon clinics have 12:45PM line up with a PROMPT start at 1:00 pm, which means all skier/riders will be dressed and have rentals in hand at this time. It is not Sugarbush's responsibility to connect late arrivals to their lesson group. All rental participants should arrive by 12pm. Lessons end at 3PM – students will be handed off to a parent or guardian only. All students must return to the lesson corral.

Cancellations

In the event that an individual misses a session, Sugarbush will not provide a refund or issue a credit for future use. Sugarbush alone will determine if a scheduled date will be cancelled due to adverse conditions or limited terrain. Sugarbush will make every effort to notify the group leader (Tracy Loysen) of a cancellation by 2pm the day prior to arrival, and Tracy will contact the participants. There could be rare circumstances that force a cancellation with very short notice; every effort will be made to stay in contact with the group leader to notify participants. If Sugarbush cancels a scheduled date it will be made up at a later date. Participants who cancel on their own are NOT able to schedule a make-up date.

As rental equipment and instructors are set up in advance we are requesting that persons unable to participate in lessons or rentals on any given date contact us as soon as such information is known. A phone call can be made to Mt Ellen Guest Services, 802-583-6867. Participants should indicate that they are with the EMES group when calling to cancel.

How to Sign Up

Completed sign up forms, rental form(s) if applicable, and liability release forms (one for each participant), along with a check for the total amount owed can either be dropped off at the EMES office or sent directly to the group leader, Tracy Loysen, at 2809 North St., Montpelier 05602. If dropping off materials at the office, please write SUGARBUSH SKI PROGRAM on the envelope.

The first day of the program, I (Tracy) will be near the Guest Services Desk at Mt. Ellen by noon to answer any questions. Unless there is some unforeseen circumstance, I will be always be either in the lodge or on the mountain and accessible by cell phone.

SUGARBUSH CHILDREN'S SKI & RIDE RECREATIONAL PROGRAM
Express Assumption of Risk and Form Selection Agreement
(PLEASE READ CAREFULLY!)

SUGARBUSH RESORT WILL NOT ADMINISTER MEDICATION OF ANY KIND TO CHILDREN.
SUGARBUSH RESORT IS NOT RESPONSIBLE FOR LOST OR MISPLACED CLOTHING OR EQUIPMENT.

I understand that all forms of alpine activity are hazardous with many inherent dangers and risks, and that injuries are a common and ordinary occurrence in these activities. By allowing my child to participate in this Program, I acknowledge my child's progressive participation and I expect that in order for my child to move to the next progressive skill level, the Instructor will challenge my child continuously during the Program. I acknowledge that such challenges and progressions are inherent in the Guest/Instructor relationship and in the learning process. I further understand that the nature of ski/ride lessons often requires children to ride ski lifts by themselves (ages 6+) and/or with members of the general public.

I, on behalf of myself and my heirs, further agree that the phrase "inherent risks" means those risks which are listed in this Agreement, or those that can reasonably be inferred therefrom. I also agree that these risks are both obvious and necessary to these winter sports activities. I agree that the inherent risks of winter sports include but are not limited to changing weather conditions; surface and/or subsurface snow conditions as they may from time to time exist and may change or be affected by weather, skier, or participant usage (whether such conditions are surface or subsurface, consist of ice, hard pack, powder, packed powder, wind pack, corn, crust, slush, cut up snow, and/or machine made or machine enhanced snow); other risks and/or conditions including bare spots, forest growth and debris, stumps, trees, streambeds, water and/or water bars, and other such conditions, whether or not they are visible, and/or collisions with such objects; collisions with lift towers, signs, posts, fences, or other enclosures, water and/or air pipes or other manmade structures, and/or their components such as pipes and hydrants used in snowmaking or for other necessary purposes, whether or not these structures are marked, padded, or shielded; collision with well-marked or plainly visible snowmobiles, snow grooming, or other over-snow vehicles or equipment; collisions with skiers, riders, or others; variations in steepness of terrain including but not limited to roads, terrain modifications, features or variations which occur naturally or as the result of slope design, feature design, weather events and/or changes, snowmaking and/or snow grooming operations, and/or participant usage.

In consideration of Summit Ventures NE, LLC, d/b/a Sugarbush Resort, hereafter "Sugarbush," accepting my above named child in the program. I hereby indemnify and hold harmless Sugarbush, its agents, officers, directors, owners and employees to the fullest extent allowed by law, of and from any and all liability for personal injury or death or property damage which arises from my child's participation, which includes but is not limited to any inherent risks identified above as well as my child's placement in a skill level, the selection of specific terrain and/or instructor or the physical exercise and/or activities which my child will be directed to do as part of my child's participation, and my child's use of chairlifts with or without an instructor or adult..

I FURTHER AGREE THAT ANY CLAIM WHICH I MAY AT ANY TIME BRING FOR ANY REASON AGAINST SUGARBUSH, OR ANY OF IT'S AGENTS, OFFICERS, DIRECTORS, OWNERS AND EMPLOYEES OR ANY DISPUTES ARISING OUT OF MY CHILD'S PARTICIPATION IN THIS PROGRAM SHALL BE SUBMITTED TO THE JURISDICTION OF THE STATE OR FEDERAL COURT IN THE STATE OF VERMONT, AND THAT NO CLAIM OR ACTION SHALL BE BROUGHT IN ANY OTHER JURISDICTION.

I give permission to Sugarbush to call a doctor and to transport my child to the nearest physician or medical center in the event of an injury or medical emergency and authorize first aid and or emergency treatment from qualified persons should the need arise. I hereby authorize Sugarbush to provide my child with rental equipment maintained by Sugarbush for any part of and/or duration of a lesson should the need arise for alternate equipment to that which I provided. I give Sugarbush permission to apply sunscreen to my child and to transport my child via chairlift or public bus service between the Lincoln Peak and Mount Ellen areas for Program activities. Sugarbush Resort is not responsible for lost/misplaced items and all items should be marked with your child's name.

I also hereby consent for all purposes to the sale, reproduction, and/or use of photographs, video and/or film of me or my child (with or without the use of my/our names) by Sugarbush and any designee (including any agency, client, or periodical) in all forms and media in all manners including media production or printed materials, without compensation. I Release the photographer, Sugarbush, and of its designees from any liability which may occur as a result. I hereby agree that I shall not make any claim for compensation the use of these likenesses in any of the foregoing media.

PARENT/GUARDIAN: By signing this document on behalf of any minor, I represent and guarantee that I have full authority to do so realizing the full binding effect of this Agreement.
