Spring/Summer P-EBT Benefits

Vermont will be issuing a final round of Pandemic EBT(P-EBT) benefits for Summer 2023. All students at the Lamoille North and Lamoille North Modified Unified Union School District will be eligible for a Summer P-EBT benefit of \$120 per student if they were enrolled as of May 2023.

The benefit will be sent to the head of household and mailing address that we have on file for your student. If you have moved or need to update the head of household, please let us know by Wednesday, May 10th. To make changes, please contact Sheila Jourdan, Lamoille North Supervisory Union, 802-851-1169, or email her at sjourdan@LNSD.org.

These benefits will be sent out by mid-August. If your student missed school for a COVID-related reason between February 2023 and May 11, 2023, you will receive benefits for those days at the same time.
