Online or In Person!

We offer different types of classes to fit your needs! Our varying class times help you prioritize your education even if you are also working a job, taking care of children, or have other things happening in your life.

We offer classes both online and in person. You can choose the style of class that works best for you! If you have transportation concerns or do not have a driver's license, online classes can help you continue your education from your own home. Contact us today to learn more!

Beautiful New Building!

The Roseville Adult Learning Center is located in the new Anpétu Téča Education Center at 1910 County Road B West in Roseville, MN. This building was built in 2021 and has incredible new classrooms, a new computer lab, and other great spaces for students! We strive to provide the best experiences and resources for our students. Come see our facilities.
