Policy Statement:

The College of Menominee Nation (CMN) maintains an open-door admissions policy in alignment with statutory requirements and licensing and accrediting organizations. Admission to the College of Menominee Nation is open to all high school and home-school graduates, those who have completed the General Education Development (GED), or a High School Equivalency Diploma (HSED). Students who do not wish to earn a degree credential are exempt from the submission of high school, GED, HSED, or a home-school transcript. High School students are required to submit their official transcripts based on their current enrollment status in high school.

CMN does not discriminate based on race, color, national origin, sex, disability, or age in its program, activity, or employment. To handle inquiries regarding the non-discrimination policies, contact: Human Resources, PO Box 1179, Keshena, WI 54135, 715.799.5600, hr@menominee.edu.

Admission to the College does not automatically qualify a student for all courses at the College; some course offerings have special prerequisites and requirements. Specific programs require additional admission requirements, which can be found in the program information guide.
