Important Questions	Answers	Why This Matters
What is the overall deductible?	Tier 1 <u>Deductible</u> : \$1,000 member /\$3,000 family  Tier 2 <u>Deductible</u> : \$3,000 member /\$6,000 family  Benefits are administered on a Plan Year basis.	Generally you must pay all the costs up to the deductible amount before this plan begins to pay. If you have other family members on the policy, they have to meet their own individual deductible until the overall family deductible amount has been met.
Are there services covered before you meet your deductible?	Yes: Preventive care, prescription drugs, emergency room care, and the following ElevateHealth Options Network services: provider office visits, x-rays, laboratory, Rehabilitation services, Habilitation services, routine eye exams, are covered before you meet your deductible.	This plan covers some items and services even if you haven't yet met the deductible amount. But, a copayment or coinsurance may apply. For example, this plan covers certain preventive services without cost-sharing and before you meet your deductible. See a list of covered preventive services at https://www.healthcare.gov/coverage/preventive-care-benefits/
Are there other <u>deductibles</u> for specific services?	Yes. <u>Durable Medical Equipment Deductible</u> : \$100 member. There are no other specific <u>Deductibles</u>	You must pay all of the costs for these services up to the specific <u>deductible</u> amount before this <u>plan</u> begins to pay for these services.
What is the <u>out-of-pocket limit</u> for this <u>plan</u> ?	\$5,000 member/\$10,000 family	The <u>out-of-pocket limit</u> is the most you could pay in a year for covered services. If you have other family members in this <u>plan</u> , they have to meet their own <u>out-of-pocket limit</u> until the overall family <u>out-of-pocket limit</u> has been met.
