Dear Pontiac School District Volunteers:

On behalf of the entire Pontiac School District Family, Happy National School Volunteers Week! You are a vital part of our district and the key to countless resources and opportunities for our students.

The role of a volunteer in the district stretches beyond giving of your time. We see you in our district each day helping in classrooms and libraries; out in the community networking with potential donors; and in line at stores picking up supplies with your own funds to support those in need. I frequently receive word that a partner or group of volunteers have taken it upon themselves to restock a library or beautify a garden or some other project in the district. You continue to surprise us with your generosity time and again.

You give us your energy, your positivity, and your love with every event, program, and project you participate in.

Words cannot express the level of gratitude we feel for all that you do for us every day.

We celebrate you this week and always!

Thank you,

Kelley Williams, Superintendent
