

HURRICANE

WATCH 9/9/18

PRINCIPAL'S MESSAGE

Now that we are into the school year it is great to see our students working so hard at academics, athletics, and clubs. The building is humming with hard work to prepare for the inevitable exams that they will be held accountable to take. The state has eliminated alternate pathways to graduation and students will now have a limited number of ways to get a diploma from high school. Information about the current pathways will be coming in a future newsletter and senior night date will be soon released to see where your senior stacks up against the current requirements.

Sincerely,

Bill Wingler

Principal: Brooklyn High School

HURRICANE PRIDE IN FULL EFFECT.

Friday afternoon every Brooklyn student across the district had an evacuation drill that then led into a pep rally. Hurricane pride was in full effect.

SASHELLE CARTER STUDENT OF THE WEEK!!

Sashelle was caught doing something right this week and will receive a Dunkin gift card.
