

**Second Semester
Senior Final Exam Schedule
2022-2023**

Teachers are responsible for identifying and notifying students of their need to take final exams (as a result of both academic need and/or per the attendance incentive policy) *prior* to the start of final exams. Please remember that we adopted the practice, a few years ago, of ensuring that any exit exams would be completed a full school week prior to the start of final exams. All exit exams for seniors must be finished no later than **Monday, May 22nd**.

Seniors put on the potential failure list (due to Jill Valdes on May 1) need to have their finals graded immediately, and their final grade needs to be passed on to the counselors, and to Jill Valdes, immediately after grading. Any seniors NOT on that list will earn credit for the class, regardless of grade earned.
