

Hello,

Thank you for attending the first Springfield-Clark Career Technology Center Facilities Advisory Forum! If you were not able to attend, we have included the presentation we shared. We look forward to seeing you at our second session on **Tuesday May 23 at 5:30pm at the CTC cafeteria.**

Your input is invaluable to CTC’s facilities planning process. We are grateful for all the ideas, observations, and insights you provided on Monday night.

To recap Monday’s session, we discussed:

1. Positive outcomes for CTC students
2. CTC’s impact on Clark County’s economy and quality of life
3. The age and condition of CTC’s facilities
4. How CTC’s facilities limit enrollment
5. The Ohio Facilities Construction Commission and what a partnership with OFCC entails
6. The results of an online survey completed by nearly 50 community members

Secondly, forum attendees broke out into three groups to answer the following questions:

1. Based on what you heard today, what should be the CTC’s priorities/goals for facility planning?
2. What does the community need to know?

	Group 1	Group 2	Group 3
What should be the CTC’s priorities/goals for facility planning?	<ol style="list-style-type: none"> 1. Need more space to address enrollment issues. 2. Future thinking: Be able to adapt so we have the opportunity for growth. 3. Money: what are the costs of maintaining the buildings day to day and cost of addressing all this? 	<ol style="list-style-type: none"> 1. Safety & Security Kids at risk when walking from building to building. Need proper equipment inside school such as eyewash stations & PPE 2. Technology & Electricity upgrades Issues with PA system and computers. Electric system not able to handle all school’s needs 	<ol style="list-style-type: none"> 1. Safety & Security Similar to Group 2’s concerns 2. Future thinking Similar to Group 1. 3. Operational efficiency – being green and energy efficient
What does the community need to know?	<ol style="list-style-type: none"> 1. # students turned away v. # unfilled trade positions 2. How CTC is funded compared to K-12 districts 3. Student contributions to Clark County & ROI 4. Showcase students as ambassadors 	<ol style="list-style-type: none"> 1. Safety issues 2. # students turned away 3. CTC old facilities v. districts’ new ones 4. Impact a levy would have on people 	<ol style="list-style-type: none"> 1. # students turned away due to facilities 2. Rising demand for career tech education 3. How CTC serves individual communities 4. Outcomes & success

For the next steps, we will research the questions you asked on note cards and will send out answers when we have them. **Our second advisory forum will be on Tuesday May 23 at 5:30pm at the CTC cafeteria.**
