SPRING NEWSLETTER

STUDENT SPOTLIGHT!

Congratulations to Connor Estabrook and Luke Crippen!!! Connor and Luke both earned their GED at Open Doors 105, and have been accepted into Central Washington University. Connor will be studying EMS Paramedicine and Luke has been accepted straight to the Aviation Pilot Program!

We are so proud of you both!

Connor Estabrook
CWU
EMS Paramedicine

Luke Crippen
CWU
Aviation: Prof. Pilot

GED IS JUST THE BEGINNING!

Open Doors, located at ESD 105, is a GED-plus Program. What does that mean? When our students earn their GED, their journey has only begun. Here at Open Doors 105 we encourage and support our students to pursue a career that will lead to a livable-wage job. With so many career pathways for students to choose from, it can be a bit overwhelming. That is why we have the Open Doors Team to help our students along the way! Our students are able to continue with the program until they:

- 1) Earn a High School Diploma,
- 2) Earn an AA Degree
- 3) Turn 21 years of age on or by September 1st.

Our staff is here to assist students with their academic and professional goals, whether that be the workforce, military, college, apprenticeships, and/or certifications.
