

LAKE HIGHLAND PREPARATORY SCHOOL

Position Announcement

Upper School Innovation and Technology/Computer Science Teacher

WITHIN AN ATMOSPHERE OF LOVE, CONCERN, AND MUTUAL RESPECT...

Job Summary

Lake Highland's Upper School seeks an Innovation and Technology/Computer Science teacher to instruct students according to the prescribed LHPS curriculum for the innovation and technology courses assigned to the teacher. Anticipated courses include Game Design I & II, Digital Branding, Animation & Modeling, and Artificial Intelligence. The teacher will perform related teaching tasks and functions such as planning, research, curriculum alignment, assessment, and record-keeping in an efficient and effective manner. As needed, the teacher will also willingly participate in the school community and student co-curricular activities.

This is a full-time, fully-benefitted, 10-month position. We encourage applicants from underrepresented groups to apply.

How to Apply

Please email the following materials as PDFs to HR@lhps.org specifying "Computer Science" in the subject line.

- Cover letter indicating how you would succeed in this position
- A current resume
- Three professional references with at least one immediate supervisor (preferably current)

LHPS conducts background checks, including fingerprinting, and drug testing and may use a third-party administrator. Background checks will be performed in compliance with the Fair Credit Reporting Act. Lake Highland Preparatory School is an Equal Opportunity Employer.

Education & Experience

- Bachelor's degree in related field required.
- Certification or qualification to teach in a computer science or related area in grades 9-12
- Minimum of two years teaching experience required.
