

# QSI KOSOVO SUMMER SCHOOL

## Program Information

QSI Kosovo Summer School is a summer program that begins in June, right after the end of the regular school year. Summer School is a great opportunity for everyone who is interested in having a fun, educational and innovative experience during this summer. It is designed for 3YO to 13YO children who will participate in activities such as cooking, science experiments, robotics, outdoor games, swimming, crafting, painting, picnics, music, sports, STEM challenges, art, dancing, etc. Additionally, there are two academic periods during each day, which focus on consolidating the skills gained throughout this school year and getting familiar with new content as well. This program is open to QSI students, prospective students and students who do not attend our school. Apart from the 9am to 3pm program, the school will also offer After School options, such as private tutoring, private music classes and after-school care.

**June 26 - July 21**
