## Pause for thought

### It Will Not Fail Because of Me

The focus for our assemblies this half term is Teamwork, one of our six core values. Claire Thompson, Assistant Head, held an assembly this week in which she introduced the children to the quote above and explained that it originated from a man called Ken Mattingly, an astronaut. There are several different stories around the quote, but below is one:

for the exam timetables

For your information, the **Year 8** French Speaking exam  
will take place on **Thursday 25th May 2023**.

Year 8 exams will take place on **Tuesday 6th June**,  
**Wednesday 7th June** and **Thursday 8th June**.

A detailed timetable and revision booklet for Year 8  
will follow nearer the time.

### Yateley Manor Athletic Meet

The annual Yateley Manor Athletic meet will take place  
this year on **Thursday 18th of May**. The first events will  
start at **4.30pm** and the event should finish by **6pm - 6.30pm**.

Yateley Manor Year 3-8 will be competing against  
**Farleigh, Eagle House Daneshill and St Neots**.

Team sheets for this event will be posted by **Friday 12th May**

Spectators are welcome to come and support the  
Yateley Manor Athletics team in this exciting event.

### Yateley Manor Laser Run Competition

Yateley Manor will be hosting our first ever Laser run  
competition against **St Neots & Daneshill** on **Tuesday 9th May**. **Year 4-8** will be competing in teams of 4 in a relay format. The event is starting at **4.30pm** and will be finished at approximately **5.30pm**. We welcome spectators to come and support our teams and cheer on Yateley Manor.

### Holiday Club

Bookings for the May Half Term Holiday Club and  
Nursery Holiday Club are now open. The Holiday Clubs  
will run from Tuesday 30th May to Friday 2nd June  
2023 and bookings may be made for any combination  
of days. Holiday Club from Reception to Year 8 is open  
to friends and family of Yateley Manor School.  
The Nursery Holiday Club is for current Yateley Manor  
children only.

### Ultra - Marathon sponsorship

On the **17th-18th June** this year, Neil Davis will be competing in his fourth ultra-marathon, the Race to the King.

This 100km race over two days takes place over the South Downs Way. As with his previous races, he is raising money for the MND Association in memory of a dear friend he lost just before lockdown in 2020. Any donation would be massively appreciated as we look to raise £1000 to support the amazing work they do.

## FYMS Corner

Only 2 weeks until **FYMS May Fair 2023!** We have so much on offer this year for all the family.

A huge thank you to everyone in our year groups who have come together to plan their year group stalls. This year we have a great line up -

**Nursery** - Jam Jars

**Reception** - Name the Teddy and Tin Can Alley

**Year 1** - Name the Teacher and the Coconut Shy

**Year 2** - Hook a Duck and Coin Roll

**Year 3** - Keys to open the Box

**Year 4** - Glitter tattoos and coloured hair spray

**Year 5** - Welly Wanging

**Year 6** - Beat the Goalie

**Year 8** - Lolly Lottery

We also have Jake's Mini Farm, a 100ft inflatable obstacle course, an under 5's inflatable activity centre, aeroball, the scout's rollercoaster, soak the teacher, choir performances and Manor Rocks performing. Our refreshment tent will be serving hot and cold drinks, ice creams, giant hot dogs, doughnuts and cake. It's a jam packed afternoon of fun for all the family. Tokens can be pre ordered online via the FYMS website with an early bird offer of 10 for the price of 9.

**Friday 12th May** is Mufti Day! In exchange for children wearing their own clothes, we ask for a donation to our Fair tombolas. We ask that children in nursery and pre prep donate a garden toy and children in prep donate a bottle of something to drink. Alcoholic or non-alcoholic, the choice is yours. All bottles should be brand new and unopened. We will be collecting donations at Manor Court, nursery and the pre prep doors.

Don't forget to sign up to our cake decorating workshops via the FYMS website and we can't wait to see your bake off showstoppers too. Don't forget there are prizes up for grabs!

Sadly, we are still very low on volunteers for the day to help set up, run activities, serve refreshments and take it all down again. We know everyone is busy, as are we so just 30 minutes of your time to help would be incredible. You can sign up online via the FYMS website or email [fyms@mail.com](mailto:fyms@mail.com) to let us know your availability.

## U13 National Netball Finals

A bronze medal at the U13 National Netball Finals for the U13 girls.

After the original U13 Small School National Netball Finals were postponed back in March for bad weather the U13 team finally got to play in their IAPS competition on Friday.

Yateley Manor were in Pool A and after a nervous but successful first game against Beachborough School, the team settled into their normal confident play and easily won their next game against West Hill Park. We then came up against a very strong St Christopher team and although we played well the opposition were strong and the shooters very accurate, it was our first defeat of the day. The next game against St Neots was quite literally a game of two halves. St Neots had the upper hand in the first half, but we held on to keep the score 2 - 2. In the second half we surged ahead taking control of the game winning 6 - 2. Our last game against Hatherop Castle gave us another win meaning that we came second in the cup competition and faced Ashfold in the semi-finals.

It was a well matched semi-final, the team started the game nervously and went behind 4 - 0 quite quickly. The girls then steadied themselves to get a few goals back, but Ashfold proved just too composed on this occasion winning 8 - 4.

We had one more game to play, for the Bronze medal against Barnardiston Hall Prep and the team were determined to go home with a medal. They played an excellent game and were fully in control winning 8 - 4.

This is the highest ever finishing position for a Netball team from Yateley Manor at the National Finals, huge congratulations to team - Kayleigh H, Michelle A, Annabelle S, Matilda U, Evie N, Ella W, Victoria H and Georgia M, with a special mention to Abigail S in Y6 who played up 2 years.

## Speech Day 6th July 2023

We are very much looking forward to Speech Day on the final day of term on the Headmaster's lawn. Children from Year 1 upwards will all be attending the event. All children should arrive at school at their usual time. The event will start at **10.00am** and drinks will be served to parents afterwards. Term will end for all children at **12.30pm**. There will be no after school bus service. As we are expecting a large number of people to attend, families are advised to book tickets in advance. Tickets will be made available shortly.

## Nursery

This week the children have been celebrating the Coronation. There has been a range of activities such as symmetrical crown designing, mark making letters to Buckingham Palace and creating their own bunting and flags.

*Karen Barber*

## Pre Prep

This week our Pre-Prep and Nursery children were transported to Neverland to help Peter Pan retrieve the stolen treasure from Captain Hook

Thank you to @perform\_uk for four brilliantly exciting and engaging drama workshops this morning

## Year 3

This week in Science, year 3 have been learning about Scientific names of bones in the body. They have met Bobby the skeleton, made and labelled their own skeletons and have had a wonderful anatomy book shared with them too.

*Hannah Jenkins*

## Year 4

This week year 4 were drawing Jack Russells for our coronation display and have been learning about the pearly kings and queens and singing old cockney songs.

*Sarah Stables*

## Year 7

Year 7 have been learning to code a Micro:bit, which is a programmable pocket sized computer with inputs and outputs. So as part of our STEM work, children in Year 7 have learnt that the Micro:bit can be coded to detect a circuit and how the circuit can include fruit and themselves! Children learnt that the water (and citric acids) in fruit and also with human bodies containing ions can conduct electricity. Children learnt that the code would need "conditions" nestled in a forever loop (Iteration), i.e. IF the circuit is complete THEN display an icon or play a tune, ELSE remain off. Once Micro:bits were programmed and the basic circuits formed, the challenge was then on to see how many pieces of fruit and children could form a circuit; the boys in set 1 were very successful at collaboratively coming together to form circuits with lots of fruit and linking themselves together. Sasha and Evelyn also formed their own circuits finding as many different objects as possible that conducted electricity to see if their Micro:bit would still come to life!
