**Post-Secondary
Preparation Program**

INSIGHT Post-Secondary Preparation Program

The INSIGHT Post-Secondary Preparation Program is the only program in the Commonwealth of Kentucky dedicated to promoting college and career readiness for students who are blind or visually impaired. The program is open to students who have completed grades 10-12 and are interested in attending a post secondary institution after graduating from high school.

INSIGHT takes place on the beautiful campus of Morehead State University in Morehead, KY. The students stay in a Morehead University dorm, eat in the cafeteria and attend a Morehead college class.

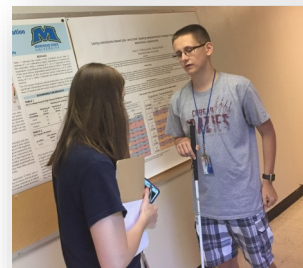

The program was designed to promote self-advocacy and independent living for students that are blind or visually impaired so that they may experience what it will be like to go to college.

While at Morehead, students will attend an INSIGHT class which consists of the following skills:

- Hiring a reader
- Choosing a college
- Developing a Vision Portfolio
- Note Taking Skills
- Technology
- Time Management
- Working with Morehead's Disability Coordinator

Each student will receive Orientation and Mobility and will be provided with an assessment at the completion of the program.

Applications will be available January first at:
www.ksb.kyschools.us
