

MARLIN

Bond Update

May 5, 2023

- 01** We're excited to share that the installation of the new track and turf at Legion Field has begun! This renovation project has been in the works for several months, and we couldn't be more thrilled to start seeing it come to life.
- 02** Legion Field is now closed due to ongoing construction. As a safety precaution, we ask that no one uses the field until further notice. We recognize that this may be an inconvenience, we appreciate your cooperation as we work to improve the facility for everyone's benefit.
- 03** As we gear up for an exciting Marlin High School project, we want to update you on our progress. Our district leadership team is currently researching and visiting other schools to gain valuable insights and inspiration for this upcoming project. We're committed to providing our students with a state-of-the-art educational environment that promotes academic excellence. We'll keep you updated as we move forward, and we appreciate your continued support of our district.
