^ Internships

Internships need to be registered three weeks prior to the beginning of the next semester. If you are planning to do your internship, you should contact administration for a review of your progress within your degree/certificate program and of any necessary requirements that may be related to your specific type of internship.

Scheduled Collaborate Sessions

Collaborate session times and dates are subject to change at the instructors' discretion. For courses listed without Collaborate session times and dates, the instructor will distribute once the course begins.

Changes

Fisher College reserves the right to cancel any course, combine sections, restrict registration, change instructors, and/or provide additional instructors for over enrolled courses.
