

Are you **New** to the **Blue?**

If so, this is for you! Covington Catholic High School is offering a summer meet-up for freshmen from non-feeder schools and transfer students.

New to the Blue provides an opportunity to meet other freshmen, as well as current students, previously from other non-feeder schools. Look for your invitation in your email in mid-July.

New to the Blue wants to make your son's transition to CovCath as easy as possible. We provide an opportunity for him to meet new friends and to learn about our school during a fun afternoon.
