

SHS Weekly News

May 5, 2023

A Message from Mr. Kruse, Principal

Students and Families,

Advanced Placement testing is in full swing this week at SHS as we move towards finishing up the 2022 - 2023 school year. We have one week of AP testing left to go. Good luck to everyone on their exams!

A big congratulations in advance to all of those being honored this month at various awards nights. We have an incredibly hard-working and skilled group of students being awarded this year. Well done!

We have the following special events coming up:

- Senior Honors Scholarship Program - Wednesday, May 10 at 7:00 pm in the PAC
- Athletic Awards Night - Wednesday, May 17 at 6:00 pm in the PAC
- Graduation 2023 - Sunday, June 4 at 11:00 am on Collins Field

Finally, next week is Teacher/Staff Appreciation week nationwide. If a teacher or staff member has positively impacted your time at SHS, I encourage you to reach out and let them know how they affected your experience.

Have a wonderful and safe weekend,
MJK

Free Webinar: Tips and Takeaways for Wellbeing, College, and Career Success

Thursday, May 11, 2023
6:00 p.m., CT

Academic skills and test scores are important, but helping students focus on their wellbeing can help them build a base for lifelong success for wherever their journeys take them. In this event, students will make a connection with Joe Dorri, a longtime psychology professor and researcher, who will showcase how key psychological factors will help them channel their wellbeing into lasting college and career success.

Why you and your students should attend:

- Get five tips to help them make their wellbeing a priority and gain useful exercises to use at school and at home.
- Students will discover things about themselves and their goals that they may never have considered before.
- They will be set up for college and career success by learning about resources they can use now for big wins later.

SPRING CLEANING & GRADUATION

If you have a Stoughton High graduation cap or gown you are no longer in need of, consider donating it back to the high school to be worn again. We try to keep a supply of caps and gowns on hand to have available to students in need of that resource. Donations can be directed to Teresa Hermanson in the Attendance Office.

SHS ATHLETICS & ACTIVITIES

Congratulations, Laura!

Laura Perry, from Stoughton High School, has been awarded a 2023 Downbeat Award for Outstanding Performance in the Vocal Jazz Soloist Category, High School division.

Downbeat Magazine has been accepting applications and awarding top students in High School and College for decades. They choose the best jazz musicians from all over the world.

Laura submitted two audio recordings this past fall. This is a very prestigious award. We are so proud of Laura on a well-deserved award. She will be featured in the June issue of Downbeat magazine.

Global Heritage Day at SHS

The SHS Undivided Club will be hosting a Global Heritage Appreciation Day/Night on Monday, May 22, 2023.

On this day, we encourage students to represent their heritage and nationality in various ways. Students are encouraged to carry national flags and/or wear attire that represents their heritage. Classes will run as normal and the SHS dress code is still in effect.

There will be an after-school event at 5:00 PM to 7:30 PM in the SHS Gymnasium. The event is free, family-friendly, and open to the community. Attendees can expect samples of traditional foods, music, dance, performances, and other displays of national traditions worldwide, provided by participants. Students have been invited to participate in the event and have received a Google Form to sign up.

If you have any concerns, please contact Deanna Roberson at deanna.roberson@stoughton.k12.wi.us.
