Tuesday: Silly Socks

Wednesday: College/ Sport team Day

Thursday: Mis-Match Day

Friday: Class Color day for Field Day

## Having Some Fun

We had a great time celebrating “*May the 4th Be With You*” at Meridian on Thursday. Students were greeted in the morning by some famous characters and it was all smiles when R2-D2 visited lunches and classrooms in the afternoon. A BIG thank you to Tim Paffel for sharing R2 with all our kids!

## Learning Nights

Thank you to the entire community for turning out on Thursday night to celebrate Learning Nights with all our kids and teachers from grades K,1,2,4, & 5. Students were so excited (and a bit nervous) to share and present their learning with their families. We appreciate you for making this a special night for all our kids! We also look forward to 3rd grade's Night of the Notables this coming week. Here are some highlight pics of the evening.

Each grade level has been working on exploring a concept with real world application allowing students to become or play the role of a professional in society.

K - Jungle Journey (research & author)

1st - Making Math "Cents" (math, logic, & strategy)

2 - Marketplace (personal Financial literacy & entrepreneurship)

4 - Human Body ( doctors diagnosing medical conditions)

5 - MASA Mission to Mars (engineering design processes)

## Celebrating our Teachers

We are pleased to announce that we have 3 of our teachers who were nominated for teacher of the year in the district. Please join us in sending a HUGE CONGRATULATIONS to some very deserving educators. We thank them for continually going above and beyond to make Meridian the very best and are all very proud to get to work with you everyday!

Kelley Randall - 5th grade teacher

Heather Mitchell - SLS teacher

Jessica Clark - 2nd grade teacher

## Skate City Summer Pass

Buy a Skate City Summer Pass and skate ALL summer long for \$1.00!

### **Field Day is May 19th**

Weather permitting, we will be hosting Field Day on May 19. Please note that **Hot lunch WILL NOT be served on Field day**. If you didn't order a sack lunch from the cafeteria, you should send your child with a cold sack/box lunch from home. **Grades 3-5** will participate from 8:30-11:00 in the AM, and **K-2 students** will participate from 12:00-2:30. Spectators will be allowed during field day, but you must check-in at the table by the front entrance in order to get a visitor pass.

### **Lost and Found**

The last day of school is rapidly approaching and Meridian's Lost and Found is overflowing! Please remind your student to check the Lost & Found for any missing items they may have misplaced or lost. If parents would like to check for their student's items, please check in at the main office with your driver's license. **After the last day of school all items still remaining will be donated.**
