

Senior Collage Night for the Class of 2023

Tues, May 23rd 7:00 - 8:30

(Regular meeting at 6:00)

For GradNite, we ask that parents create a collage board for their students so we can display each graduating senior. Collages are a great walk down memory lane to your son or daughter of their years growing up. GradNite will supply you with a white poster board (22" x 28") or you are welcome to pick one up yourself. Once your collage is completed, if you would like to have your collage laminated you may bring it to an office supply store such as Staples or OfficeMax, as they make a great keepsake – many students have brought them to college with them.

Include your seniors **first and last name** on the back of the collage (these will be returned to your student before they leave GradNite)

Each collage will be unique and could be decorated with pictures of your senior, baby photos and memorabilia from sports, clubs, plays, etc. You could also include favorite quotes, copies of awards, sport information, newspaper clippings, pictures with family and friends and any favorite memories from your child's school and childhood years. It could be decorated with stencils, stickers, drawings and other personal touches to make their collage unique. (Please keep it one sided only, it cannot be framed or on heavier material other than poster board)

Return completed collages to NHS main office or a GradNite meeting

before June 9th
