

**SCHOOL PLEDGE**

Right now, today, this very moment, I am capable of giving myself, the gift of absolute self-assurance, self-belief, and powerful non-stop confidence in myself.

**“ TO THROUGH AND BEYOND COLLEGE ”**

**MESSAGE FROM PRINCIPAL DUNGEY**

It is teacher appreciation week families! How will you show your appreciation for you child’s (children’s) teacher

**Teacher Appreciation Ideas**

1. Have your child write and mail a letter to their teacher. This can be an especially heartfelt gesture if the teacher taught your child how to write this year.
2. Help your child put together a list of the top five favorite things they learned in class this year.
3. Send your teacher a **gift card** for food or classroom supplies. 4. **Send an e-card** that’s sure to brighten your teacher’s day.
5. Ask your teacher what their favorite treat is and drop it off for them to enjoy.
8. Donate new or gently used books to your teacher’s classroom library.
9. For a silly gift that is sure to make a teacher laugh, make and give them this **stress relief present**.
10. Record a video of your child saying thank you to their teacher and email it to them.
11. Write an email to your child’s teacher expressing your gratitude as a caregiver for all they’ve done this year.
12. Print and share this **word cloud poster** for your teacher to hang up in their classroom.
13. If you have a teacher who loves the color pink, this **gift idea** could make their day.

Is your 3<sup>rd</sup> grade student eligible for a good cause exemption?

Read By Grade 3 Law

The Michigan Legislature passed a law that requires schools to identify learners who are struggling with reading and writing and to provide additional help. The law states that third graders may repeat third grade if they are more than one grade level behind beginning with the 2019-2020 school year and not being proficient on the M-Step.
