Project Oversight Committee March 23, 2023, 4:00 p.m. TEAMs Meeting Minutes

PRESENT -

Committee Members	District Staff
Ms. Sandy Burke-Bishop	Mr. Tom Brown
Mr. Mitch Aten	Dr. Earl Johnson
Mr. Jim Mather	Ms. Dolly Viderman
Mr. Todd Seis	Cpt. Daniel Shivers
	Mr. Derek Mason
	Lt. Todd Smith
	Ms. Melissa Alderman

GREETINGS - MR. TODD SEIS

Mr. Seis greeted everyone and started the meeting. Introductions were made.

MINUTES FROM THE LAST MEETING - MR. TODD SEIS

Minutes were shared with the committee.

Motion: Approve the minutes

Made by: Ms. Sandy Burke-Bishop Seconded by: Mr. Mitch Aten

Motion passed with all Ayes.

HALF CENT SALES TAX COLLECTION MONTHLY REPORT - Mr. TODD SEIS

- Mr. Seis shared the newly formatted sales tax revenues' report.
- A projected analysis of the sales tax collections was added at the end.
- Current collections were compared to prior year collections at the same time of the year.
- An estimated amount of \$55 million in sales tax proceeds is projected for the current fiscal year.
- It is expected that we will well exceed that amount. Based on the current collections, the new projection is \$65.7 million, which is \$10.7 million higher than the initial projected number.
- 10-year analysis was done to produce an average.

P.O. BOX 2118 · 200 NORTH CLARA AVE DELAND, FL 32720 (386) 734-7190 · (386) 255-6475

- The projection will be evaluated each month and updated as needed.
- It is estimated that we will have roughly an increase of 2% in revenues next year, but this number needs to be confirmed as the report was not readily available at the time of the meeting. The projected increase will help with producing a Five-Year capital plan for next year.

<u>Motion</u>: Make an adjustment to the estimated sales tax revenues by \$10 million for the February financial statements and then adjust it based on future events.

Motion made by: Ms. Sandy Burke Bishop

Seconded by: Mr. Jim Mather

Motion passed with all Ayes.

HALF-CENT SALES TAX MONTHLY FINANCIAL STATEMENTS THROUGH JANUARY 31, 2023, FOR FISCAL YEAR ENDING JUNE 30, 2023 – MR. TODD SEIS

- Mr. Seis shared the Monthly Financial Report with the committee members.
- Question from Ms. Burke-Bishop:
 - Are sales tax proceeds being used for Starke Elementary renovation and additions and Orange City Elementary?
 - Mr. Brown shared that he believes COPs funds and impact fee will be used for Starke Elementary not sales tax funds.
 - Mr. Seis stated further research and clarification are needed on this project and will be shared with the committee at the next meeting.
 - The ERP Software Enterprise Resource Planning Is this the new software or the old software?
 - It is the current ERP system. The budget for the new system will be added later.

SUMMARY AND DETAIL REPORT OF HALF-CENT SALES TAX EXPENDITURES FROM INCEPTION THROUGH JANUARY 31, 2023, FOR FISCAL YEAR ENDING JUNE 30, 2023 (AKA CHECK BOOK) — MR. TODD SEIS

- The financial information broken down by referendum categories was shared.
- A consolidated statement and detail report of total expenditures from Inception through January 31, 2023, for the Fiscal Year Ending June 30, 2023, was also shared.

FOR COMMITTEE CONSIDERATION - Mr. TODD SEIS AND DR. EARL JOHNSON

- The school district is creating two Science through Technology, Engineering, Arts and Mathematics (STEAM) mobile buses. It is a unique program where the buses go around to the schools to get the students excited about science and technology. The district would like to provide education not only inside a classroom but extend it outdoors as well. The buses will provide direct experience with science and technology along with art. The plan is to utilize the 2016 buses, make them ADA accessible and then retrofit the inside so the students have an opportunity to do experiments and science projects on the bus.
- Discussion pursued on what referendum category should these buses be added to Science Classroom Remodeling or Technology.
- Dr. Johnson will provide more details on the STEAM buses along with costs associated with it. He will also
 update the committee on what the district has done in schools in terms of retrofitting the science
 classroom and their needs.
- After further discussion, the following motion was made:

P.O. BOX 2118 · 200 NORTH CLARA AVE DELAND, FL 32720 (386) 734-7190 · (386) 255-6475

<u>Motion</u>: Approval on the acceptable use of sales tax funds to convert two buses into STEAM buses for an estimated amount of \$150,000.

Motion made by: Mr. Mitch Aten Seconded by: Ms. Sandy Burke-Bishop

Additional Committee Member Discussion

- Mr. Mitch Aten
 - Would be more comfortable putting the expense of the STEAM buses under Science Classroom category if more evidence can be provided for this endeavor.
- Ms. Sandy Burke-Bishop
 - The STEAM buses are a great idea.
 - Would the half cent sales tax also be used to pay the maintenance or materials for the buses or just the renovation of the buses?
 - Mr. Seis shared, no, the half-cent sales tax will not be responsible for maintenance and materials
- Motion passed with all Ayes.

Presentation on the Capital Building Program – Mr. Tom Brown

Mr. Brown shared an update on the current half-cent sales tax projects.

ADJOURNMENT

Meeting was adjourned at 5:13 p.m.
