

How it works

There are two ways to participate in Summer Reading.
Choose your favorite and get started!

- 1) Sign-up at your library, receive your SRP bag, and track your minutes and activities on your paper log. Turn in your paper log once you are finished and receive a prize and an entry in the grand prize drawing.
- 2) Download the Beanstack app and register with Troup-Harris Regional Library. Don't forget to visit the library to pick up your SRP bag! Track your minutes and activities to earn badges and complete the challenge. Once the challenge is completed, visit your library for a prize. Your name will automatically be entered into the grand prize drawing.
