# Waiver/Release for Communicable Diseases (Including Covid-19) Assumption of Risk/Waiver of Liability

I understand that the novel coronavirus ("COVID-19"), has been declared a worldwide pandemic by the World Health Organization. COVID-19 is considered to be highly contagious and can result in a range of symptoms which include, but are not limited to fever, shortness of breath, fatigue, loss of taste or smell, and nausea or vomiting. These symptoms can be mild or severe, sometimes resulting in death. COVID-19 is particularly dangerous for anyone with underlying health conditions or the elderly. For additional information on COVID-19, please visit: <a href="https://www.cdc.gov/coronavirus/2019-ncov/index.html">https://www.cdc.gov/coronavirus/2019-ncov/index.html</a>. I acknowledge that COVID-19 is primarily spread by person-to-person contact through respiratory droplets. These droplets can be released into the air when an infected person breathes, coughs, sneezes or talks. The droplets can be inhaled by another person, land in their nose or mouth, or land on a surface that is later touched by another person. A person does not have to be showing signs of illness in order to spread this virus. I understand that the risk of person-to-person spread of the virus is increased by close physical contact, rapid breathing, and the release of bodily fluid (sweat, spit, vomit, or other bodily fluid). I acknowledge that participation in sporting events and athletic training can result in the above listed actions and could increase the risk of transmitting COVID-19.

Beaufort County School District (the "District") has put in place preventative measures to reduce the spread of COVID-19; however, the District cannot guarantee that you or your child(ren) will not become infected with COVID-19. Further, attending and/or participating in any school-related activity within the District's schools could increase your risk and your child(ren)'s risk of contracting COVID-19.
