VOLUME 33

WEEK OF 5/08/2023

### To, Through, and Beyond College "Impact and Outcome"

Happy Monday Families!

This week, we are celebrating teachers for all the hard work they do in and out of the classroom. We are preparing to transition into part two of our testing season. Beginning next week our students will be taking the NWEA, district-wide assessment. Students who meet one or both of their goals will receive surprise incentives. With only 28 instructional days remaining, every second in the classroom matters. Students will receive attendance incentives as well, beginning May 8-May 30th, for PERFECT attendance.

If you have any questions or concerns, please reach out to me at aringo@npfeschools.org or send a message to (313) 751-8533.

The Michigan Legislature passed a law that requires schools to identify learners who are struggling with reading and writing and to provide additional help. The law states that third graders may repeat third grade if they are more than one grade level behind beginning with the 2019-2020 school year and not being proficient on the M-Step.
