School Stores Online

School Stores is our other fundraiser that will go through to the end of the school year.

Thank you to all who have signed up! Student rewards went out and the fundraiser will continue through the summer. We have many stores on the website that can be used to give back to our school. Kohl's, Walmart, Macy's, Old Navy, Children's Place, Sam's, JCPenny and Sunglass Hut just to name a few. Just be sure to shop through the website and the store you shop with automatically donates 2-7% of your purchase to Innovations. **Our school code is 363129.**

Although the students will not receive prizes for the purchase through the stores, a percentage of your purchase will go toward our school. Your everyday purchases can still help us indirectly. If you want your student to continue to receive prizes, then you may purchase items from the family bookstore link in school store.

The weather is starting to warm up and will do so more in the next few weeks. Please keep in mind our dress code requirements.

Please remember that the uniform bottoms are black or khaki pants or shorts. The bottoms **MUST** be plain in color - no stripes or designs can be worn. Blue Jean Day is every Friday without any rips or shredding.
Closed toe shoes are required every day for your child's safety!

Students out of dress code will be given a warning the first time with families contacted and reminded of the dress code policy. After the first warning, parents will need to bring the proper uniform top or bottom to school for their child to remain in school for the day. For questions, please feel free to call the school campus (702) 216-4337 Option #1. Thank you.
