**For Immediate Release:**

The 2023 AASC State Convention was hosted by Mohave High School. The event took place at several locations, which included Anderson Auto Group Fieldhouse, Mohave High School, and Coyote Canyon Media Center. The event brought together about 130 high schools from all over Arizona. Approximately 1400 students and 250 advisors attended the event. This was a one-of-a-kind event for everyone who attended and we thank the AASC for choosing Mohave High School to be the host for the 2023 State Convention.

**Superintendent Remarks:**

*“The Thunderbird community is proud of the student council (past & present) and their leadership team, Mr. Lipinski; and all of the teachers and district staff who worked so hard to make this event successful. One hundred and twenty-three schools from across the state came together to experience and celebrate school spirit and student leadership. CRUHSD is the best place to do that because we believe in Achievement for All!” -Dr. Richard*
