Please describe how you plan to comply with the state and CDC Covid-19 guidelines for your event. Dance showcase performed at The Hamden High School.
PLEASE SEE THE ATTACHMENT

Academy of Dance LLC

Hamden Board of Directors;

Academy of Dance LLC will follow all necessary protocols to ensure the safety of all our students, teachers, and faculty at Hamden High School. Since August 24th, 2020, we have created many safety guidelines that we intend on continuing while using the Hamden High Auditorium.

Prior to Rehearsal/Showcase we will have a COVID release consent form filled out by all dancing participants and their parents. Prior to arrival we can have all hair and make-up done ahead of time. We will take temperatures at the door and have hand sanitizer available before entering the building. Each Person will be masked at all times. We will then escort them to the dressing areas. Each group will be sectioned off using white tape on the floor.

We will be using 4 rooms for changing purposes. 107, C109 the black box and the dressing rooms in the back of the stage. We will stay within the room capacity at all times. Any door that can remain open for ventilation would be good and also I will bring my HEPA air purifier to keep in the big dressing room.

The backstage area will consist of two teachers, stage left and right and we will have one teacher on deck to escort dancers to and from the wing area. We will have quick changers in the black box to assist with costume changes if necessary. All dancers, teachers and parents will remain masked at all times.

Dancers etc will be given a short break to go outside and get some fresh air. We will use exit doors available to release the students at the completion of the dress rehearsal. We can sanitize the stage using appropriate germ cleaners. We will Lysol all doors and handles of the areas that we use.

All tickets will be allocated according to the student's registration number ahead of time. Using the seating chart provided, we will section off families in groups of pods and separate them with at least three seats apart. The school will provide an accurate seating chart updating us on damaged or lost seats so we can accurately configure placement. We will stay under 300 to ensure we do not exceed the 50% person capacity in the auditorium. Tickets will be

done electronically so we will just count heads and take temperatures at the door.

On the day of the Showcase, we will keep people outside in a socially distanced line. When entering the door, we will take temperatures and after using hand sanitizer they can be seated.

Families will be seated together and we will remind each family to arrive on time, so that our Show can start on time. We will take a 15 intermission in between acts to allow for more time exiting the building and then re entering. Our MC from the booth can call out groups in an orderly fashion. The right side of the center aisle can exit to the right into the hallway and the left side could exit out the back. There will be absolutely no visiting with the Dancers. This is something we have never permitted and is also an important safety precaution of ours.

All Video proceeds will be handled ahead of time and our Videographer will be positioned on a platform or riser and kept 3 feet apart from other attendees.

At the completion of the show, we will use the same exiting procedure as we have done for the intermission segment, maintaining socially distant rules as they safely exit the building. Please let us know if there are any other concerns or suggestions. We were one of the first dance studios to use the auditorium and have always had a great experience here at the High School. We appreciate your continued professionalism especially concerning the safety and well being of our students during this pandemic. On behalf of all of us at Academy of Dance, we want to thank you for your time in reviewing our application today. We are all so very excited to get back on stage :)

Sincerely,

Teresa Gambardella, Director

RULES AND REGULATIONS**For the Use of the Hamden Public School Buildings for Other Than Regular School Purposes****Please initial each numbered guideline**

- JC 1. The use of the Hamden Public School Buildings for other than regular schoolwork is under the direct control of the Board of Education. All applications for the use thereof must be made to the Board of Education on the blank form prescribed for that purpose. The application must state in every detail the purpose and nature of the activity for which the building is to be used and must be signed by three responsible persons, who will be held responsible for any damage or loss of property arising from such use.
- JC 2. When permission for the use of any building has been granted the Board will appoint a custodian and/or security personnel to act as its personal representative. This appointee is to supervise the meeting and enforce the Rules and Regulations of the Board with power to close the meeting if it is not held in accordance with the Rules and Regulations. Custodian(s) will report a minimum of one-half hour before scheduled time and remain a minimum of one-half hour after close of event. There will be a minimum charge of three hours of custodial coverage for any event.
- JC 3. If police attendance is necessary (to be determined by the Administration), the persons in charge of the event will be required to provide such police attendance and give the Police Permit Number to the Board of Education.
- JC 4. The building is to be used only on the date specified and for the purpose named in the permit. Nobody from the renting organization will be allowed to enter the building prior to the time stipulated in this contract. Setup and rehearsal time must be reflected on the application.
- JC 5. A permit can be canceled without notice provided its provisions or intent are violated in any way, and the Board of Education or its representatives shall be the sole judge of such violation. In addition, the Board of Education reserves the right to cancel a permit should a school function be in conflict with the permitted event.
- JC 6. A permit is not transferable.
- JC 7. A permit is not valid unless signed by the Superintendent or his/her designee.
- JC 8. No food or refreshments are to be served or eaten on the premise, unless specifically mentioned in contract. Food or drink is not to be brought into gymnasium, auditorium or pool. Violation of this provision may result in immediate revocation of the permit and is grounds for future denials.
- JC 9. When use of a kitchen is required, details must be worked out in consultation with the food services contractor, who will determine whether a cafeteria worker will be needed. If a cafeteria worker is needed, the permittee will be responsible for the cost.
- JC 10. Use of auditoriums **does not** include use of theatrical lighting or sound equipment. If needed, use of equipment must be worked out in consultation with the Director of Fine Arts. Only trained school-appointed technicians will be able to use stage technology equipment. Costs for these services will be invoiced after the event is completed. If using the high school or middle school auditoriums, you must fill out Addendum A to determine your technical and staffing needs. **Due to staffing shortages, please be advised that we may not be able to fully staff your event. It would be in your best interest to investigate and hire your own audio-visual equipment and workers as the district cannot guarantee staffing for every event.**
- JC 11. When use of Audio Visual or Television equipment is needed, details must be worked out in consultation with the Director of Fine Arts (high school and middle school) or the building media specialist (elementary schools). If it is determined a technician is needed, the permittee will be responsible for the cost.
- JC 12. A statement of insurance to cover loss or damage to equipment must be presented to the Superintendent prior to approval (Board Policy #1330.2)

JC 13. We cannot reserve any date(s) before the approval of your application. Therefore, return this application as soon as possible.

JC 14. Requestor(s) must comply with the State of CT and/or CIAC opening guideline requirements and must ensure compliance during event or risk losing future rental status.

JC 15. Payments may be mailed or hand delivered to 60 Putnam Avenue, Hamden, CT 06517 to the Finance Department or the Facilities Office. We request that you do not give payments to the schools directly.

If said permission is granted, we hereby agree to strictly comply with the rules and regulations of the Board of Education governing the use of public-school buildings, to take the utmost care in the use of the school property, to make good any damage to or loss of school property arising from our occupancy of any portion of the building and to provide necessary police attendance. A certificate of insurance for all organizations not affiliated with the Hamden Public School District is required

I have read and agree with the above rules and regulations set forth by the Hamden Board of Education:
