Your **child** has a **right** to go to school, no matter **where** you live or how long you have lived there.

Children can be **encouraged** by **your interest** in their day at **school**, their **homework**, and the **papers** they bring home. They also benefit when you take time to **ask questions** or **visit** their school.

For more information, you can contact the educational liaison at your child's district.

## WHAT FAMILIES NEED TO KNOW ABOUT HOMELESSNESS

## DEFINITION OF HOMELESS

The federal government's legal definition of homelessness based on the McKinney-Vento Homeless Education Assistance is anyone who...

- lacks a regular, fixed and adequate nighttime residence (substandard housing).
- is sharing housing due to economic struggles (double-up).
- is living in a shelter, hotel or motel.
- is living in a public place not designated for sleeping (cars, parks).
- is an unaccompanied youth.
- is a child or youth awaiting foster care placement.
- is a child or youth abandoned a hospital.
- is a migrant child who qualifies under any of the above.

## YOUR CHILDREN'S RIGHTS

Your preschool and school-aged children have the following rights or protections under the McKinney-Vento Homeless Education Assistance Act:

- go to school, no matter where you live or how long you have lived there.
- continue in the school they attended before you became homeless or the last one they attended.
- receive transportation to school and to school programs.
- attend a school and participate in school programs with children who are not homeless.
- enroll without giving a permanent address.
- enroll and attend classes while the school arranges for the transfer of required school records or documents.
- enroll and attend classes even while the school and you seek to resolve a dispute over enrollment.
- receive special programs and services.
- transfer of partial course credit.

### BEFORE YOU MOVE:

- tell your child's teacher and principal that you are moving and give them the new address.
- allow your child to say good-bye to friends and teachers.
- let the school officials know if you want your child to stay in his or her school while you are getting the family stabilized.
- ask for a copy of your child's school records, including immunizations.

### IF YOU MOVE OFTEN:

- keep a copy of birth certificates and school records accessible.
- safeguard all health and immunization records.
- have a reliable person keep a second copy of these records.
- enroll children in school as soon as possible.

### ASK ABOUT SCHOOL SERVICES

- breakfast and lunch programs
- transportation
- special education programs
