Notes

Note 1 : 182 days (176 school days plus 6 planning days, 4 prior to start of school and 2 during school term)

Note 2 : 182 days (176 school days plus drivers meetings and training which equate to six days as scheduled by the Transportation Director)

Note 3 : 184 days (176 school days plus 8 days as scheduled by the Food Service Director, with the exception of Lunchroom Managers who have twelve additional days and Head Cashiers who have six additional days.)

Note 4: 200 days (The Counselor at TLC observes the 195 day calendar but has five additional days that are to be coordinated and documented by the Director of the Transitional Learning Center.)

Note 5: 200 days (Special Education Lead Teachers B observes the 195 day calendar but has five additional days that are to be coordinated and documented by the Special Education Director.)

Note 6: School level clerical positions observe either the 190 or 210 day calendar depending on their duties. In general, school receptionist and secretaries for administrators or counselors observe the 210 day calendar. Other school level clerical observe the 190 day calendar.

Note 7: Calendars are the basis of compensation for all positions, but principals are granted the discretion to shift days of their staff to meet the needs of the school. However, all calendar shifts must be evidenced by records maintained by the principals for each applicable staff member. This should not be taken to imply that the principal has the authority to increase the calendar for staff members. Only the Superintendent has that authority.

Note 8: See Athletic Supplement listing for positions

Note 9: This matrix and the calendars are exclusive of summer school activities, should one exist.
