Dear Parents & Guardians,

Greetings and peace! I trust this letter finds all going well with you and your families.

Initially, I want to relay my personal thanks and appreciation for the many sacrifices you make to partner with Roman Catholic High School. We certainly appreciate that in these uncertain economic times, paying tuition is a heavy burden for many of our families. In all budget decisions, our goal is to keep costs within the reach of our families, while not endangering the quality of our programs. The fact is, the tuition you pay is an investment in your son's future. As a college-preparatory program, Roman prides itself on the amount of scholarship monies earned by our graduates and the quality of the colleges and universities that accept our students.

Tuition for the 2023-2024 school year will be \$10,275. As we began last year, all individual school fees (registration, fundraising, technology, graduation, etc.) have been consolidated into the actual cost of tuition. With the elimination of individual fees, families are now able to budget properly by accurately anticipating monthly tuition costs.

As past practice, this amount will be spread across 11 months, beginning in the month of June. Any academic and/or needs-based tuition assistance will lower the monthly payment due.

If you have not yet submitted a FACTS application for tuition assistance, there is still time to do so. The application can be accessed on the School Website. As our Tuition Assistance Committee (TAC) meets weekly, the sooner your completed application is submitted, the quicker we are able to review.

Thank you for entrusting your son to Roman Catholic.

Sincerely,

Rev. Joseph W. Bongard '77
President/Rector
