

How to create a Mobile Serve Account

You should have gotten an email:

Dear CN student,

You will complete the log in during your Theology class. You will need to take a picture of your new dashboard and turn in to your Theology teacher.

- MobileServe is Cardinal Newman School's new service tracking system. It's currently accessible from any Internet connected device via app.mobileserve.com, and is currently available on the App store. I recommend downloading this to your phone.
- **Please complete these 4 steps to start tracking your service impact!**
 1. Sign Up, enter your school email address
 2. Upload your profile picture and affiliate with Cardinal Newman School by entering CARNEW
 3. Start volunteering and sharing your story!
- Questions? Reach out to support@mobileserve.com. Or stop by and chat with Mrs. Druffner

God Bless
