### District Goals

In Woodburn School District, we endeavor to engage all families in our work to improve our educational opportunities for students and to provide pathways for each student to develop their bilingual acumen for success in school and beyond.

We will continue to improve our systems of support for every student as we and our multilingual, multicultural community collaborate to develop a shared vision, eliminate opportunity gaps, and to guarantee equitable outcomes.

### State Goals

The Oregon Department of Education is partnering with school districts and local communities to ensure a 90% on-time, four year graduation rate by 2025. To progress toward this goal, the state will prioritize efforts to improve attendance, provide a well-rounded education, invest in implementing culturally responsive practices, and promote continuous improvement to close opportunity and achievement gaps for historically and currently underserved students.
