Dear Dexter Families,

Spring is here and the sun is shining! As we work through the last six weeks of school of the 2022-2023 school year, we have a few quick updates to share:

### [2023-2024 School Calendar](#)

At last night's Board of Education meeting, the Board approved the [2023-2024 school calendar](#). The first day of school will be September 5th. It will be a half day.

### [Virtual Internships Opportunity](#)

DCS has partnered with an international company called Virtual Internships to offer an exciting summer opportunity for students ages 14-18. It's a four-week long program that provides students with real-world experiences working with international companies. There is a virtual information meeting on May 18 at 6pm. I've attached a flyer – you will need to [register to attend](#). This session will be recorded and shared.

### [Communications Update](#)

The District has been doing a communications audit to review our current tools and effectiveness. We discussed those results at the BOE meeting last night. You can see the [presentation slides here](#). We will soon be sending out a quick communications survey, so please watch for that.

### [Solar Walkway](#)

Last but not least, our fundraising campaign for the previously shared Solar Walkway and Solar Field is well underway. If you'd like to contribute, learn more about it, or share the info with others, please visit [our webpage](#).

Take care, Go Dreads, and Beat Chelsea!

Christopher Timmis, EdD  
Superintendent
