Kindergarten Discovery Day

Piper Prairie Elementary is incredibly excited to host the annual Kindergarten Discovery Day on Friday May 5th. This event is an exciting opportunity for incoming Kindergarten students to explore Piper Prairie Elementary School. Students will have an opportunity to meet Kindergarten staff, explore the classrooms and take a bus ride. During Discovery Day, Kindergarten students will have opportunities for social and academic engagement. They will interact with a variety of teachers and have the opportunity to travel to different Kindergarten classrooms and engage in various activities. Discovery Day is a fantastic way to ease anxiety for incoming students and provides an incredible introductory experience.
