

of A TRADITION EXCELLENCE

KSPA Regional Results

The following students placed in the regional journalistic contest hosted by the Kansas Scholastic Press Association. Provided prompts with various story scenarios, they used journalistic judgment to cover the stories. All will move on to state in April/May. Moving up to 5A has put them into a competition bracket with some of the best student journalism programs in the nation!

Early Childhood Center

Some of our youngest Pirates got up close and personal with a variety of occupations. Parents visited classes to share details about their professions and to answer questions from students.

**Thank you to
the parents who
shared their
occupations!**
