Piper Fest 2022!

Piper Fest is back on Sept. 24 for a whole day full of fun! Carnival, car show, 5K, pancakes, bingo, silent auction, and a ton of food and craft vendors! Visit PiperFest.com for more information.

Growing Our Own

Piper High School graduates and current students served as summer school aides this year. These awesome individuals are pursuing college degrees in education or have plans to major in education once they graduate from Piper High. We're so proud of our students utilizing their Portrait of a Graduate skills!

Royals Charities: Scholarships & Grants

At the Aug. 27th Royals game, Royals Charities and Whataburger presented a \$3,000 Craving Knowledge grant to teacher Taylor Spangler to support the PHS culinary department's Real World Learning initiatives. Piper was one of five schools rewarded. And, in July, Class of 2022 alumnae Zoey Pudenz and Audrey Menzies were recognized at a Royals game for winning \$10,000 KC Royals Charities Scholarships. Since 2012, the Kansas City Royals and Royals Charities have partnered with the 20/20 Leadership student organization to award students who have worked hard to leave a legacy within their schools and communities. This fall, Zoey is attending K-State and Audrey is attending Wichita State.

Construction Junction

As part of the important #FutureReady initiative, we are excited about the support of the 2022 bond issue. This approval will ensure Piper continues to serve its students, educators and community at the highest level, offering an exemplary educational experience to ALL. As one of the fastest growing school districts in the state, our facilities need to grow along with us and the continued maintenance and upkeep will expand the life of our buildings and assets we already have. These bond projects will address deferred maintenance, traffic flow, and planning for future growth. As these exciting projects occur over the next several months, we will stay true to our core values of Inclusivity, Innovation, Community, Integrity, and Passion – and we're so glad you're on the journey with us! Visit the new Website for construction updates: www.piperschools.jedunnbuilds.com
