

#FROM^{the} HELM *Piper* USD 203

of A TRADITION
EXCELLENCE

As a reminder, the district is pursuing a critical bond issue on January 25, 2022. The bond totaling \$64 million will touch all students within the Piper School District in some capacity. Money from the bond helps the district finance much needed expansion to accommodate the tremendous amount of growth we have seen over the past 20 years.
