For current ASB secondary students who wish to spend a semester abroad, the family will only be responsible for the tuition during the student's months of attendance at ASB. In all other situations, the full year's tuition will be due on a monthly basis in order to continue to reserve the student's spot.

### RETURNING STUDENTS

For students returning to ASB, their previous tuition rate will be guaranteed for a maximum of two school years, from the time they left. After three years away, current tuition prices would apply.

### EARLY WITHDRAWALS & REFUNDS

Any changes regarding enrollment or length of stay must be communicated in writing. In all cases, families must give three months' notice before their expected departure date. This means the family will be responsible for three additional months' tuition, following the communication date.

For changes in enrollment for the following school year, families must communicate their intention to leave by June 1st in order to receive a full refund of the tuition and/or lunch fees that have been prepaid.

Any changes communicated after June 1st have a three months' tuition early departure penalty fee.

Please note that the capital levy and matriculation fees are always non-refundable regardless of the communication date.

### LATE PAYMENT OF FEES
