

## **Brown County 4-H Summer of Exploration**

Even if you aren't familiar with the 4-H program, you've probably still heard of it. That's because 4-H is the largest youth development organization in the US - empowering nearly six million young people with the skills to lead for a lifetime.

The local Brown County 4-H program is offering a taste of what 4-H has to offer with a Summer of Exploration, featuring day-camps across a wide array of topics throughout June and July. These camps are designed for youth to build new skills, explore what sparks their interests, and engage their creativity and critical thinking.

Brown County 4-H Summer of Exploration Camps are structured as day-camps over 3 days each, with AM or PM options. This Summer of Exploration features a wide variety of different camp themes for youth in 4<sup>th</sup> and 5<sup>th</sup> grade and up, with 2 designed for youth in 1<sup>st</sup> through 3<sup>rd</sup> grade. Each camp has an associated cost of \$75. Registration ends **May 31st!**

Learn more about Brown County 4-H Summer of Exploration Camps & registration here: [go.wisc.edu/b5m7y3](https://go.wisc.edu/b5m7y3)

Questions? Contact Jon Hill, 4-H Program Educator, at 920-391-4653.
