Princeton University Materials Academy (P.U.M.A.) Application

What do you hope to accomplish by participating in the Princeton University Materials Academy?

What is your interest in science?

I understand that I will be studying in a college environment during a period of 3 weeks, where I will be expected to come in every day, behave according to Princeton University standards, work hard and be a good classmate. Furthermore, I acknowledge that I MUST present my work on the last evening of the program on July 20, 2023.
